Offa's Dyke Association

We work in conjunction with the Offa's Dyke Path National Trails officer, schools local to Offa's Dyke, walking groups, activity groups and our project volunteers – read [more about us](#).

If you would like to get in touch about a school or group visit (to Offa's Dyke Centre or from the Outreach officer) or resources for young folks, please [complete this \(google\) form](#) – there is also a form on the page "[About us](#)". In the meantime, please do look at the [resources page](#) and [discussion forum area](#).

Please encourage all **not** to walk on the dykes (Offa's and Wat's) but do take photographs, make sketches, admire them and note where you are and what you see.

You can submit your [photographs or pictures here](#) (goes to a *google form*).
