Hello and welcome to the **Offa's Dyke Association** *Outreach* home page.

Offa's Dyke Association

We work in conjunction with the Offa's Dyke Path National Trails officer, schools local to Offa's Dyke, walking groups, activity groups and our project volunteers — read more about us.

If you would like to get in touch about a school or group visit (to Offa's Dyke Centre or from the Outreach officer) or resources for young folks, please <u>complete this (google) form</u> — there is also a form on the page "About us". In the meantime, please do look at the <u>resources page</u> and <u>discussion</u> forum area.

Please encourage all **not** to walk on the dykes (Offa's and Wat's) but do take photographs, make sketches, admire them and note where you are and what you see.

You can submit your <u>photographs or pictures here</u> (goes to a google form).

You can follow us (Offa's Dyke Association Outreach) on X [formerley Twitter] (@ODA_outreach),
