

About us ...

The Offa's Dyke Association is based in Knighton, Powys at the Offa's Dyke Centre.

As Outreach officer, I provide resources for communities, groups, schools and clubs (particularly YAC) that offers an insight into the Offa's Dyke Association, Offa's and Wat's Dykes, the communities & physical landscapes formed and changed by these Mercian Monuments by meeting and talking to youngsters and sharing things that provoke thought and conversation in these inquisitive minds.
